Thanks Vera. I am not sure what's going on with it since Carl and Jeff could open it. -- What did you think of Jeff's program? (It's new to me, but it appears simpler than Doodle.)

Hi Vera,

Did you get my test email awhile ago or did it go to spam? ("Doodle poll - TEST RUN ONLY...")

All,

This may prove a useful tool in the future: <http://doodle.com/>

Patty, if it would simplify things, I could set a poll up for next week. Let me know!

I would like to have a FYR Team meeting next week, if possible – does Wednesday, May 17 (1-4 PM) work for everyone? Please let me know.

I would like to discuss:

- Appendix I, Responses to Stakeholder Input
- Appendix G, Site Inspection Checklist
- Rad-NESHAPs as an ARAR
- EPA and CDPHE comments that might need discussion
- Anything else we may need to discuss before the document is finalized
